

Ultra High Efficient Heat Pump

Built for Total Home Comfort

25HNA9

Carrier's exclusive Infinity^R Series heat pump has two stages, operating with less power longer. And we engineered it to team with an Infinity Series furnace to create an economical Hybrid Heat^R dual fuel system, which saves you year-round.

Key Features

- Puron^R refrigerant
- Up to 19 SEER
- Up to 9.5 HSPF
- Superior humidity and temperature control
- As low as 69 dB
- 2-stage compressors for ultimate comfort
- Infinity^R Control for maximum performance
- Silencer System II for quiet operation
- WeatherArmor UltraTM System for ultimate protection
- 10-year parts limited warranty when properly registered

Ratings

Heat Efficiency	7 of 7
Cool Efficiency	7 of 7
Quiet Level	7 of 7

Product Specs

25HNA9

Performance

Efficiency	Up to 19 SEER / 9.5 HSPF
Warranty	10 year parts limited warranty when properly registered.

Energy Star

As an Energy Star partner, Carrier Corporation has determined that the Infinity 19 heat pumps that achieve system combinations of 14.5 SEER, 8.2 HSPF and 12 EER or higher meet the Energy Star guidelines for energy efficiency. Ask contractor for details.

Controls

Controls Supported	Infinity Control
Diagnostics	Enhanced diagnostics with Infinity control

Technology

Refrigerant	Puron refrigerant
Compressor	2-Stage scroll
Heating Capacity (Btuh)	24,000-60,000
Cooling Capacity (tons)	2-5

Aesthetics

Protection	WeatherArmor Ultra TM
Construction	Galvanized steel
Paint	Powder-coated, baked-on complete coverage
Coil Guard	Steel louver coil guard
